Total sugar: 0.7 g/l

Winemaking

in the cellar the wine is carefully and gently worked to bring out its structure and elegance. Medium to long maceration and 14-16 months aging in French oak casks, some of which are new, combine to create the personality of this wine.

Tasting note

Black fruit aromas, spicy and balsamic, with some coffee, chocolate and smoky notes. Full in the mouth, full bodied, with a good structure and elegant and clean tannins. With a long after-taste.
