## 90 POINTS FOR GRANDS PÉRIPLÉS

We are pleased to announce that Grands Périples 2018 has just been awarded 90 points by Wine Enthusiast.

Grands Périples, from Margaux, is a recent addition to our range, created in honor of the great journeys made to find the perfect Bordeaux wine.

Margaux is known for producing some of Bordeaux's most sensual and alluring wines and we think Grands Périples is a knockout. It's a blend of Merlot, Cabernet Sauvignon, and Petit Verdot and it displays the typical Margaux style with finesse and elegance.

Grands Périples was created with traditional Bordeaux winemaking, using classic techniques with a well-managed maceration period to extract the best from the grapes. The finished blend was aged for 9 months in French oak barrels.

The full tasting note from Wine Enthusiast will be published in August. Grands Périples has just arrived in our warehouse and is available now.

For further information please contact Eymeric or David who will be more than happy to help.
