## Tasting note

Red color with light violet and orange. Clean and bright. Slightly sparkling (Frizzante). Fresh, fruity aromas with notes of orange and lemon. More citrus fruit flavors with hints of peach and cinnamon. Great balance with a long, fruity and persistent finish.

A deliciously refreshing alfresco option. Best served with lots of ice and slices of fruit, perfect to enjoy with friends.

Grown-up, sophisticated yet fun, this premium Sangría is also a great suggestion for customers looking for a lower-alcohol option.
