

## TRIO OF 90+ POINTS FOR CHAMPAGNE CASTELNAU

We are pleased to share the news that **Champagne Castelneau** has been awarded a **trio of 90+ points** from **Wine Enthusiast**. Tasted and reviewed by leading French expert **Roger Voss**, these accolades demonstrate the quality and consistency from this Champagne house.

### Castelneau NV Hors Categorie

**94 points**

*"Aged in wood, this wine has plenty of toastiness. It is dry, spicy with peppered white-fruit flavors that are crisp with plenty of acidity. It needs to age further, so wait to drink this bottling until 2021."*

### Castelneau 2006 Blanc de Blancs Millésimé Brut

**93 points**

*"From a selection of Chardonnay vineyards, this Champagne has tight crispness along with a balanced minerality. The green apple and ripe pear flavors are shot through with citrus to yield a textured, fruity wine. Drink now."*

### Castelneau NV Brut Réserve

**90 points**

*"With six years aging before disgorgement, this wine has a fine balance between freshness and maturity. It has a crisp apple flavor and a touch of brioche. With the 20% reserve wine in the blend, this is ready to drink."*

**Champagne Castelneau** was added to our portfolio earlier this year and they are a remarkable Champagne house, with award-winning wines.
