D.O. Empordà

Castillo Perelada 5 Finques

Located in northeastern Catalonia, just south of the French border, the Empordà region is packed with stunning scenery, excellent gastronomy, rich history and natural diversity. It also produces excellent wine, such as the Perelada

5 Finques Reserva 2016, awarded the Grand Gold Medal this year by the prestigious Mundus Vini competition. This well-structured red wine has a deep cherry color, aromas of red fruit and spices, and balsamic notes with smoky hints of toast.
