

CHAMPAGNE CASTELNAU SCOOPS TRIPLE WHAMMY AT IWC

We are delighted to share the news that Champagne Castelnaud has gained not one but three impressive gongs from this year's International Wine Challenge.

Champagne Castelnaud Blancs de Blancs 2006 gained 96 points and was awarded the Vintage Blanc de Blancs Champagne Trophy.

Similarly, the Champagne Castelnaud Vintage 2006 achieved 95 points with a gold medal.

Most impressively, Elisabeth Sarcelet & Carine Bailleul, the outgoing and incoming Chefs de Caves, have received a joint nomination from the IWC for **Sparkling Winemaker of the Year 2021**. This is an incredible achievement for this team and the results will be announced at the International Wine Challenge awards dinner on June 30.
