## THE NED SAUVIGNON BLANC 2021

*"Sliced-apple, lime and green mango aromas follow through to a medium body, bright acidity and a clean, dry finish. Hints of dried grass and lime. Vegan. Drink Now."*

JAMES SUCKLING, NOVEMBER 2021

The fresh new 2021 vintage of this superb Sauvignon Blanc is from Marico's vineyards in the Waihopai Valley.

2021 has been a good vintage, the grape ripening summer months remained dry, with record high sunshine hours, making for optimal conditions. This, combined with smaller crops, resulted in an early start to harvest. Excellent management allowed for fruit to be harvested in a calm, steady flow with fruit in pristine condition, undeterred by a significant rain spell mid-harvest.

**Stock availability of this outstanding wine is very limited, so please speak to Eymeric or David soon to secure your allocation.**
