

**Country**

Argentina

Region

Tunuyán, Uco Valley

Grape varieties

100% Malbec, vines
12 years old, producing 8,500kg per hectare

UPC code

7798129170386.

**Winemaking**

Fermentation occurs in open top inox tanks, cold maceration for 6 days, maceration for 16 days in total.

9 months aging in French oak barrels.

Tasting note

A rich Malbec with a smooth integration of oak which gives it good food pairing possibilities. A modern style, with balance and a good fruit expression.
