IMPORTS

## Country

Spain

## Region

Tudelilla, Rioja

## Grape varieties

100% Tempranillo

## UPC code

8437008622149

## Winemaking

We combine tradition and innovation to create this young red wine. De-stemming and skin contact maceration at low temperature for 18 days. Pumping-over process repeated twice a day at the beginning, just one gentle pumping-over at the end of the process.

## Tasting note

Clean, bright wine. Deep cherry-red with light purple hues in color with very notable fruity bouquet from the winemaking. A balanced palate with the right blend of acidity, freshness with fresh fruit. A long finish with red fruit at the end.

**Ombra Tinto**
