RED WINE - PRODUCT OF ARGENTINA

This unusual blend wine comes from one of Argentina's top wineries, where winemaker Hervé J Fabre crafts his range of award-winning wines.

He used two traditional Bordeaux grapes: Malbec adds layers of chocolate and dark fruit flavours and gives the wine its dark colour; Cabernet Franc adds bramble fruit flavours, structure and bite. The wine has been aged in French oak barrels for 12 months to give it a toasty complexity. Enjoy with roast red meats such as topside of beef or lamb shank.
