RED WINE - PRODUCT OF ARGENTINA

This rich and inviting red comes from one of Argentina's top wineries, where winemaker Hervé J. Fabre crafts his range of award-winning wines. The Reserve Malbec, Viñalba's flagship wine, is rich and inviting on the nose, with ripe black fruit notes and hints of smoke. On the palate it is wonderfully complex, its rich blackcurrant and plum flavours combining with toasty vanilla oak to create an elegant but full-bodied delight. Great with any red meat, but sublime with a big juicy steak.
