Winemaking

The fruit was gently pressed and the resulting juices were fermented in temperature-controlled tanks with select yeast strains, chosen for their ability to enhance the unique flavor and mouthfeel attributes of Pinot Gris.

Tasting note

Floral aromas expressing apricot and zesty grapefruit are supported by a weighty yet taught palate. Honeydew with a hint of spiciness and limey pith with juicy acidity fills the mouth, rounding out to a luscious and approachable finish showcasing the climate and growing conditions of the Waihopai Valley.
