VINOVIA
WINE GROUP

Winemaking

The fruit was gently pressed to minimize the negative effects of skin contact and the resulting juices were fermented in temperature-controlled tanks with select yeast strains chosen for their ability to enhance the varietal intensity and mouthfeel of Sauvignon Blanc.

Tasting note

A deliciously ripe fragrant nose of zesty citrus, green apple. This is accompanied by a layered palate of gooseberry, guava and underlying minerality. With a crisp backbone of acidity and boundless length, this wine has a pleasingly dry finish that reflects the climate and growing conditions of the Waihopai Valley.

Awards

90 points, Decanter 2022 (2021)
92 points, International Wine Challenge 2023 (2022)
