18 months in new French oak barrels.

Technical analysis

ABV%: 15% by vol
Total sugar: 0.35 g/l

UPC

857756000286

Winemaking

The finest grapes are carefully selected before being taken to the winery where they undergo very long maceration in order to extract the maximum content from the pulp and skins, transferring the essence of both the soil and the year to the wine.

Tasting note

Dark cherry red in color. On the nose there are very intense and complex aromas, blackberries, vanilla, coffee and spices. Creamy and round in the mouth, fresh and mineral with a well-integrated oak. A deep, full-bodied wine with smooth tannins and a very long and intense finish.

Awards (2014 vintage)

90 points, Decanter 2023

Gran Cruor Priorat
