New Year, new wine from Grands Périples

As we approach the New Year, we are pleased to let you know about a great new addition to our Bordeaux Collection.

Building on the success of our Grands Périples Margaux, we have managed to source another fantastic wine to add to the range; Grands Périples Saint Julien.

Bordeaux remains one of the most widely known, and most well respected wine regions in the world. It maintains the prestige of making world class wines and many go there in search of finding perfection. Grands Périples was created in honor of the great journeys made to find the perfect Bordeaux wines.

A blend of 77% Merlot and 23% Cabernet Sauvignon, Grands Périples Saint Julien was created with traditional Bordeaux winemaking, using classic techniques with a well-managed maceration period to extract the best from the grapes.

The wine is a brilliant an intense ruby red color, with black and red fruits to the nose and an elegant and well-rounded finish.

Grands Périples Saint Julien 2022 will be arriving in our warehouse in March 2024.
