### ABOUT CAROUSEL

CAROUSEL is a range of spectacular sparkling wines made in France, served in the mythical Caroussel bar of the Monteleone Hotel in the heart of New Orleans. Lively and festive, the fine bubbles of CAROUSEL recall the soul of NOLA and those great moments of sharing that often happen in the very genuine French Quarter. Our Caroussel wines have been crafted in line with that spirit. They are festive, lively, elegant wines, the result of a stringent selection of white or black grape varieties, carefully curated and matured.
