BACKGROUND

Finca Malaveïna (“Bad Neighbour”), a curious name whose origins are lost in time) is a vineyard designed to make extraordinary wines. It covers an area of 19 hectares of red clay slopes, and enjoys an amazing vista of both the Mediterranean and the Pyrenees. The yield per hectare is approximately 5,000 Kg.

WINEMAKING

From a single vineyard. Red winemaking, long maceration, controlled fermentation at 25°C . 16 months in new Bordeaux barrels of French Allier oak, rest in bottle.

TASTING NOTES

Cherry red color. Fruity aromas with a background of fine toasted and balsamic notes. The palate is round, fleshy and structured. The tannins are ripe and provide a rounding sensation. It has an excellent balance, and long aftertaste. It is a wine with a marked personality revealing the single vineyard estate from which it comes. Great aging potential.

ABOUT PERELADA

When Miguel Mateu acquired the Castle of Perelada in 1923, one of his hopes was to revive a wine-making tradition that traces its genesis back to the fourteenth century, when the Carmelite monks produced wine for the whole region. More than eighty years later, Castillo Perelada has become one of the leading wine producers in Spain and has led the Empordà, the oldest wine-producing region in Spain, in its spectacular revival. Perelada has been named in the World's top 50 Most Admired Wine Brands of 2024
