BACKGROUND

Every year, the oenologists of Perelada produce small quantities of a large variety of wines, aiming to study the influence of factors such as the maturity of the grapes at the time of harvesting, the soil type, irrigation, sun exposure... A special experimental vineyard plot and microvinification cellar are used for this experimentation. The very best of these wines become part of the Ex Ex collection. Exceptional Experiences which are very limited edition. The fourteenth wine of the exclusive Castillo Perelada Ex.Ex. (Exceptional Experiences) collection is a limited edition of 1,622 75 cl. bottles. Ex. Ex.14 is a single varietal wine of 2019 Garnacha from Finca la Garriga, a sandy, gravelly soil.

WINEMAKING

Harvesting is manual and the maceration process takes 24 days at 24 °C, with remounting twice a day. Fifteen months in French oak second wine barrels. Bottled on 4 May 2021.

TASTING NOTES

The wine stands out for its deep ruby red color. Aromas of red fruits predominate, with a spicy and very Mediterranean background. Very fresh on the palate, intense and at the same time round, enveloping, sapid and with a long and pleasant aftertaste. Due to its structure, acidity and balance, it is predicted to have a great ageing capacity.

ABOUT PERELADA

When Miguel Mateu acquired the Castle of Perelada in 1923, one of his hopes was to revive a wine-making tradition that traces its genesis back to the fourteenth century, when the Carmelite monks produced wine for the whole region. More than eighty years later, Castillo Perelada has become one of the leading wine producers in Spain and has led the Empordà, the oldest wine-producing region in Spain, in its spectacular revival. Perelada has been named in the World's top 50 Most Admired Wine Brands of 2024
