GRAPES	100% Sauvignon Blanc
TECHNICAL	Alc. 12% / Residual sugar: 4.4g/l
WINEMAKER	Adam Hazeldine
UPC	634445 000457

BACKGROUND

This Marlborough Sauvignon Blanc is produced for a fuller, pungent yet softer style that develops well. This wine is clean and fresh with fruit sourced from 100% certified sustainable vineyards situated throughout the Wairau, Waihopai and Awatere Valleys of Marlborough, New Zealand.

WINEMAKING

Machine harvested with the fruit then crushed and de-stemmed before fermentation in stainless steel tanks to keep the fresh fruit characters.

TASTING NOTE

Lifted nose of sweet lantana, grapefruit and blackcurrant with lots of gooseberry and a subtle floral and green apple note. Light, lively and fresh with an abundance of flavors including gala apple, gooseberry, fresh herbs and blackcurrant. Balanced, interesting and very accessible.

ABOUT ONCE HIDDEN

Marlborough was once largely empty, with just a few hardy farmers eking out a living tending to sheep and cattle on dry, stony, barren land. But Marlborough was hiding a secret. That secret was a land and climate tailor-made for producing inimitable Sauvignon Blancs that consumers around the world have grown to know and love; intensely aromatic, vibrant and crisply refreshing. Once Hidden celebrates the unrevealed talents and gifts within us all; talents that the world is longing to see uncovered and shared.
