PINOT NOIR

VALLE DE UCO · MENDOZA

RED WINE - PRODUCT OF ARGENTINA

The grapes we use to make this wine are grown in the Uco Valley, a beautiful place at the foot of the Andes mountain range. In this cool climate, our Pinot Noir stands out for its light ruby red color as well as its aromas of red cherries and mountain herbs. The palate is elegant, with fine tannins and a delicate balance, with a persistent and pleasant finish.
