

Perelada named in The Wine Independent Top 10 wines of 2024

The new year has started full of promise with another fantastic announcement; Perelada has made the Top 10 Wines of 2024 from The Wine Independent.

Perelada **Stars Touch of Rosé 2022** has been named number 9 in their top 10 wines of the year on Quality/Price Ratio. What makes this even more remarkable is all the other wines in the top 10 are priced over \$150.

The 2022 Stars Touch of Rosé Brut was also **number 1** on The Wine Independent's **list of top 10 wines of 2024 under \$25**.

Editor Lisa Perrotti-Brown MW carefully scrutinised the numbers on all the wines reviewed last year to come up with this year's Top 50 QPR (Quality/Price Ratio) list. Over 5000 wines were reviewed from over a dozen countries, including Argentina, Australia, Austria, Chile, China, France, Hungary, Italy, New Zealand, South Africa, Spain, and the United States. The QPR list represents the top 1% of bargains across this set of rigorously scrutinized fine wines from around the world.

To understand in greater detail just what an incredible achievement this is, there's an in-depth explanation on the Wine Independent website on how the Quality/price ratio (QPR) calculates value for money.
