

Perelada named in World's Best Vineyards

We are delighted to announce that Perelada has been shortlisted for the first time in the top 100 wine destinations worldwide by the renowned World's Best Vineyards.

This list is based on the opinions of more than 500 experts in wine and tourism from five continents, who evaluate the comprehensive cellar and vineyard projects that include wine tourism proposals. To be included in the top 100 is recognition of excellence in the wine sector at a global level.

This comes after Perelada made its debut in the 2024 TOP 50 of The World's Most Admired Wine Brands, where they were highlighted as the highest new entry of the year. These two global accolades makes Perelada one of the few Spanish wineries to feature in both lists.

Being included in both rankings reflects Perelada's commitment to winemaking excellence, demonstrated through their innovation, quality, sustainability, and world-class wine tourism offerings.
