

## MARLBOROUGH ROSÉ

VINTAGE	2024
REGION	Marlborough, New Zealand
GRAPES	57% Merlot; 32% Syrah; 9% Cabernet Franc; 2% Chardonnay
TECHNICAL	Alc. 13%, Residual sugar 2.4 g/l
WINEMAKER	Adam Hazeldine

### BACKGROUND

Fruit for this New Zealand Rosé is sourced from a range of premium, sustainably certified vineyards across the iconic Hawke's Bay and Marlborough regions.

### WINEMAKING

The grapes were picked, crushed and pressed with minimum skin contact. The juice was fermented in stainless steel tanks at various temperatures to capture the fresh flavors

### TASTING NOTE

A pretty and refreshing rosé, crisp, fragrant, and medium-dry in style. Raspberry and strawberry aromas with a touch of persimmon.

Raspberry opens up to peach and rock melon with strawberry conserve and pear. Mineral notes and fennel noted on finish. Fresh and zesty.

### ABOUT SAM'S CREEK

They say wine is a mirror of the place and time it came from, either through climate, geography, season, or pure inspiration. Bubbling contentedly through the Cowslip Valley Vineyard, situated in one of the Southern Valleys of the Marlborough region, is a small, but charmingly enthusiastic waterway: Sam's Creek. It's a place of peace and energy, restoration and of course inspiration for this deliciously sustainable range of meticulously crafted wines; vibrant, tropical and expressive with the crisp acidity that consumers around the world have grown to know and love. Sam's Creek may be small, but it packs a mighty punch.
