BACKGROUND

The Pendee Farm Vineyard was planted in the 1960's, just a few kilometres away from the famous Stonegarden Vineyard in Springton, Eden Valley. This site was selected for its incredible soils, its distinct sub-climate, and for its ability to produce truly unique varietal wines that are truly reflective of the region.

WINEMAKING

This single-vineyard Cabernet was destemmed not crushed into small open top fermenters, allowing for maximum control over the fermentation period. The fruit was then held at 10-15 degrees for three days, before being allowed to warm naturally and start fermentation. After 12 days on skins, the wines were pressed to 10% new 80% seasoned French oak Hogsheads where they matured for 15 months. No fining or filtration was used on these wines.

TASTING NOTE

This varietal Cabernet has a nose of lifted violets, black currants and plums, and a pronounced palate of black cherries and mulberries with star anise. A complex, balanced wine which finishes with silky, lingering tannins. Suitable for vegans.

ABOUT BROTHERS AT WAR

Brothers At War began in 2013 with a tonne of grapes and a vision to create world class wines with unique expression, using small parcels of exceptional fruit from some of the Barossa's greatest characters. Surrounded by the legacy of Barossa winemaking pioneers, for brothers Angus and Sam Wardlaw, a life in the winemaking industry was inevitable. Starting from humble beginnings and a parcel of Shiraz, they had a bit of fun occupying some spare time on the weekends. Picking up 'Some Other Guys' along the way, their vision organically grew over the early years. Together, the team of family and friends are continuing to stake their rightful claim in the industry all while keeping a family tradition alive with a wealth of award-winning wines and accolades to be proud of.
