BACKGROUND

Mendoza has become one of the most dynamic wine producing regions in the world with an enviable array of grape varieties, many of which are planted at high altitudes. The vines for this Malbec are planted at 1380m altitude. A low-yield island -shaped plot, located on superficial sandy soils with deposits of stones and silt in the subsoil. Vegan certified.

WINEMAKING

Double-selection of bunches and grains. Cold maceration during 5 days at 10°C (50°F). Selected yeasts. Daily punch-downs and delestages. Extended maceration for 30 days at 28°C (82°F). Malolactic fermentation occurred in barrels. 100% of the wine was aged for 12 months in first & second-use French oak barrels of 225 liters.

TASTING NOTE

Violet red in color. Very complex and elegant aromas with notes of blackberries and cherries, licorice and a delicate floral touch of violets. On the palate it is full-bodied with ripe tannins and a persistent mouthfeel.

AWARDS

92 points, International Wine Challenge 2025
91 points, Decanter World Wine Awards 2025
